Client Posting Responsibility

Heyaansh prepares agreed post content, captions, creatives and posting guidance. The client must publish posts from their own official accounts and share live post links with Heyaansh for tracking and reporting. Heyaansh does not post directly on behalf of the client unless specifically agreed in writing with account access and authorisation. Direct posting by Heyaansh, if approved, is billed separately as an extra paid service.

OPTIONAL ADD-ON SERVICES

- Extra post support
- Extra blog update
- Short video posting support
- Website SEO / PageSpeed...
- Google Business Profile support

IMPORTANT DISCLAIMER

No guarantee of leads, enquiries, rankings, sales or conversions. This service guarantees only the agreed posting preparation, update, setup and support work.
