SMARTER HIRING. STRONGER TEAMS. BETTER FUTURES.

Why Heyaansh HR?

We help growing businesses hire interns and fresh graduates without sorting through hundreds of applications.

Our Promise

We focus on role relevance, screening and reliable follow-up so you can interview suitable candidates. From sourcing to shortlisting, we coordinate the process so you can make informed hiring decisions.

College & Institute Networks

Connections with colleges and training institutes for active talent pipelines.

Pre-Screened Profiles

We verify skills, communication and availability before shortlisting.

Role-Specific Matching

We match candidates to your role, team culture and business needs.

Internship Documentation

Offer letters, NDAs, certificates and completion letter support.

HR Services & Roles

Focused entry-level recruitment support for growing businesses. Services are tailored to intern and fresher hiring requirements.

1

Intern Sourcing

Identify and place interns from colleges and vocational institutes based on role and availability.

2

Fresher Placement

Source fresh graduates for operations, accounts, sales support and administration roles.

3

Screening & Shortlisting

Screen resumes, conduct initial interviews and shortlist candidates worth meeting.

4

Campus & Institute Networks

Active connections with colleges and polytechnic institutes for entry-level hiring.

5

Documentation Support

Assistance with internship letters, joining coordination and basic hiring documentation.
